

Open Sky School

Date: 25.04.25

Circular No.: OS/07/24-25

Dear Parent/Guardian,

As per the notification from the Health Department (Letter No. 2025-26-578-618, dated 15.04.2025), students of Classes V to X (age group 10–16 years) are required to receive the Diphtheria, Pertussis, and Tetanus (DPT) vaccination due to an increase in cases of Diphtheria .

In this regard, you are kindly requested to get the DPT vaccination administered to your ward at a medical facility of your choice and submit the vaccination report to the school.

We request you to:

- 1.Ensure your ward receives the DPT vaccination at the earliest.**
- 2.Submit the vaccination report/certificate to the class teacher by Monday, 28th April 2025.**

The official notification from the Health Department is attached with this circular for your reference.

Thank you for your support and cooperation in safeguarding the health of our students.Let the well being of our students be our first priority.

Warm regards,

Team Open Sky
